

LeadHub

Professional Lead Management for Loan Agents

Transform Your Loan Business

Professional website. Smart lead management. Real-time follow-up.

What is LeadHub?

LeadHub is a simple platform that helps loan professionals build a professional online presence, capture customer leads, and manage them efficiently—without technical skills.

The Problem

- ✓ No professional website to attract customers
- ✓ Leads scattered across emails and spreadsheets
- ✓ Customers don't know how to reach you
- ✓ Delayed follow-ups lose sales
- ✓ Manual lead tracking wastes time

The Solution

Everything in one platform:

- ✓ Your branded professional website
- ✓ Automatic lead capture forms
- ✓ Organized customer dashboard
- ✓ WhatsApp integration
- ✓ Follow-up reminders and analytics
